From Their Majesties

Brave, noble Outlanders all:

We hope soon to see people safely arrive at Estrella. Once again we'll be having tabards and baldrics in kingdom colors for Outlanders who fight so that friend and foe will know Outlanders. Those who have tabards from past years should bring them and wear them.

This year the first heavy weapons battle is at 11:00 Friday morning, and we hope all those who can possibly be there before then will do so. If we aim for Thursday night we'll be rested and organized

Rapier fighters will follow their Queen into battle Friday afternoon. Those with baldrics from past years, please bring them. Others will be furnished new ones.

Archery starts at 8:00 a.m. Friday, and Arts & Sciences competitions will begin on Saturday for further war points. There will be arts and sciences classes with many Outlanders teaching.

We are proud to have acknowledged Sir Maelgwn as Baron of Caerthe, and we trust that he will receive widespread and enthusiastic support from Our subjects.

Master Adam Stedefast is to be congratulated for being the newest Master of the Pelican, an honor and a duty for which few are called.

Crown Tournament will be March 11 in our fair shire of Kahlland. To have the opportunity to rule this land is a tremendous joy but time intensive. Letters of intent are due by March 1, on paper, signed. For any kingdom officer to participate in crown tournament, We shall require a letter from your deputy indicating willingness to serve for the period of the reign. Such letters may come from the deputies to the Crown directly, or can be forwarded by entrants.

Corpora says that for law to be enacted it must be proclaimed and published. A law which is only proclaimed is a royal proclamation for the duration of that reign. Our seneschal was inaccurate in her report last month; We did not formally rescind any law changes.

Fail not in your preparations for war, and add to your checklists your glad determination to be victorious on the drive, on the field and in the fun.

The Dust? Last year was a very dry & cold winter in Phoenix, which led to a very dusty site. With the huge population boom on site, an extra 1,200 attendees, and a "hard freeze" Tuesday evening just prior to opening, the ground cover (dormant Bermuda grass) quickly died and the site became very barren. This coupled with the camp smoke from the attendees, led to a dusty site.

This year the Kingdom of Atenveldt, the War Staff, and the Site Owner are working hard to ensure the survival of the ground cover on the main camping field. Winter grass is already planted, extra watering has been arranged, and multiple passes by the water trucks are all part of our efforts to decrease the dust. The grass is growing greener with each passing day, and the work crews have been working hard to improve the fighting areas within the Battle Pit! Driving on the interior roads will be limited to loading and unloading only.

Please be prepared - Most of us are city dwellers, going from our climate controlled homes, to our climate controlled vehicles to our climate controlled places of employment or colleges, suddenly thrust into a dirty, smoky environment with a few thousand friends from around the globe. Add to this the unpredictable weather, cold and windy, or dry and hot - It's Phoenix.

If you have a known respiratory history, or allergies, you are urged to contact your family physician prior to the event & bring with you whatever prescriptions or over-the-counter medications you may need in a varied environment. Please consider this a primitive site.

Minors All minors (17 years & younger) must be registered and have a site waiver on file. All minors will be issued an ID bracelet to be worn at all times. Children (7 years & younger) must be registered at Troll but will not be charged site fee. All minors attending the event must be accompanied by a parent or a legal guardian also attending the event. Proof of temporary guardianship **IS** required. You must have two copies of notarized documentation if you are bringing other minor children onto site with you **OTHER THAN YOUR OWN CHILDREN**. These papers must originate from your state of origin; one form to be kept at registration & the other with the child/guardian. If you arrive without documentation you will not be allowed onto the site.

The Estrella War Staff & the SCA are not responsible for providing this documentation **NOR CAN THEY**. This paperwork is the responsibility of the parents & guardian bringing the minor(s) onto the site. Our staff understands the legalities surrounding this issue & the responsibilities

Directions: **From the North**: Take I-17 south through Phoenix and east onto I-10, & continue east onto the Superstition Freeway (State Route 60); Continue east to Ellsworth and turn south (right). Go south on Ellsworth to Rittenhouse Road, and turn southeast (casual left). Follow Rittenhouse southeast to Combs Road and make a left, this will lead you on into the Festival Site.

From the South: Take your best route to I-17 and state Route 60 (Superstition) and head east on 60 to Ellsworth. Make a right and head south down Ellsworth to Rittenhouse. Then as described above.

From the East: Head into Phoenix on State Route 60 going west to Ellsworth, and turn south (left), follow Ellsworth to Rittenhouse, then as above.

Or

From the East: Head into Phoenix on State Route 87 going south west into the valley, and turn south (left) onto Country Club Drive. Head east (left) onto State Route 60 to Ellsworth, then as above.

From the West: Head east into the valley on I-10 to east bound State 60 to South on Ellsworth and SE on Rittenhouse, then as above.

Kingdom Officer's Reports

From The Kingdom Seneschal

Greetings unto the noble populace of the Outlands from your Kingdom Seneschal,

The New Year has now reached us and there were celebrations galore! Most are now readying for war to our West and I'm sure that all our warriors will do well on their respective fields.

Officers have (hopefully) turned in their Domesday reports to Kingdom and Kingdom Officers are now preparing their own Domesdays for their Society Officer. In addition to this, plans are being made to publish a updated edition of the "Red Tape Issue" of Kingdom Law and Administrative Policies. We are hoping to have it out by the end of March. As you can see, this will be a busy two months for lots of you!

Crown Tournament will be held March 11-12 in the Shire of Kahlland. I look forward to seeing you there. Please heed the words of Their Majesties for Their wishes as to entrance into Their Crown List. Additionally, I encourage any who are considering entering the tournament to review the requirements as outlined in Kingdom law "III. Selection of Royalty. D. To be eligible for the Crown Lists, the entrant and prospective consort must meet all of the following requirements in addition to those stated in Corpora. 1. Be acceptable to the Sovereign. 2. be at least eighteen (18) years of age by the scheduled Coronation. 3. Have resided within the boundaries of the Outlands for the six (6) consecutive months immediately prior to the day of the Crown Lists. 4. Have regular means of quick communication, dependable transportation, and sufficient income to support the Crown should they win. 5. Be knowledgeable of the structure and laws of the Kingdom of the Outlands and the Society. 6. the entrant must be an authorized fighter of good standing. 7. appear as current members of the Society for Creative Anachronism as evidenced by the Membership Roster issued by the Office of the Registry as of the month preceding Crown Tournament"; and Corpora. "VI.A.1.b. Selection of Royalty. 1) Each competitor in a Royal Lists must be fighting for a prospective consort of the opposite gender. 2) Each competitor in a Royal Lists and each prospective consort must maintain thir qualification throughout their tenure as royal heirs and as royalty. (See Governing & Policy Decision #4). 3) No one make take part in a Royal Lists, either as a competitor or as a prospective consort, who has any reason to believe that either member of that competing couple will be unable to fulfill the duties of royalty."

Continue to glorify the Outlands through your words, your acts, your talents, and your skills. This truly is a remarkable Kingdom filled with remarkable people. Thank you for all you do!

In service to Crown and Kingdom,

Mistress Coemri nEithne

From the Kingdom Earl Marshal

Hail Outlands Warriors,

The time for the War is almost upon us! I would urge all fighters to do a final check of their weapons and armor to make sure everything is in good working order when you arrive at Estrella. Also, make sure that your green card is current before you leave. If it's not, get it updated before you leave for War and it will cut down on hassles there. I don't have much else to say this month. Go to War! Represent the Outlands well. Fight hard, fight valiantly, fight honorably, and have fun.

See you all at War,

Duke Hrothgar Manomakh

From the Kingdom Archer-General

Greetings Archers of the Outlands:

Check your bows! Wax your strings! Ready your shafts! It's time for War!! We have a big task ahead of us. The war point shoot starts at 8AM on Friday, February 18 and ends at 5PM Saturday, February 19. We need all of our archers to come shoot the war point.

There will be nine shoots included in the war point this year, six untimed and three timed. The untimed shoots include: the hunt - a rotating cube and wall with animal targets, a pigeon shoot - shooting at clay pigeons and the spots behind them, an obstacle shoot - four life-size human targets, each partially obscured by a tree or wall or something, a scored wand shoot - vertical bars of the five familiar colors, a birds-in-the-tree shoot - several different colored birds sitting in a tree, and a William Tell shoot - hit the apple, not the kid. The timed shoots include: Mythological Creatures - six different figures, you need to put one arrow in each in 30 seconds, Help the Dryads save their trees - shoot the six dwarves attacking them in 30 seconds, and Meat on the Table - four animals to shoot at in 30 seconds. This should be lots of fun.

TO WAR!!!

Lady Ailinn Shadowfox

From the White Stag Principal Herald

Greetings unto the populace of the Outlands.

As you may know, Their Majesties have appointed me the White Stag Principal Herald. I am very much honored by Their Majesties' decision, and hope that I can successfully serve the Outlands. If you have questions of any kind on names, devices, ceremonies, precedence and the like, please feel free to contact me.

I am desperately in need of several deputies to the White Stag office. If you would like to apply for one of the following positions, please send me a letter (email is fine) of your intent and qualifications. If you would simply like to know more about one or more of the positions, please feel free to contact me by any convenient means.

Rampart Herald
Rampart coordinates the heraldic submissions (names and devices) for the kingdom. He/she is responsible for accepting submissions by mail or in person, coordinating submissions money issues with the kingdom exchequer, writing the Letter of Presentation and Response monthly (a letter of items being considered on the kingdom level, and of items being passed or returned on the kingdom level), accepting comments on LoPRs from commenters, writing the monthly Letter of Intent (the letter to the Society level of submissions passed at the kingdom level and now sent to the Society level for consideration), and writing letters to clients and their local heralds with the results of their submissions. Rampart is a LARGE job; a willingness to undertake a large amount of paperwork and a fair amount of free time (I estimate 10 hours weekly) is required. A strong base in onomastics (name research) and in armory design is very useful, but not necessarily required. His Majesty and I discussed, this past weekend, the potential for regional submissions heralds, rather than one overwhelming Rampart position. If you would be willing to do the above job, but on a more regional level (say, ¼ to ½ of the kingdom), please apply with an explanation to this end! I would like to break up the job if possible.

Weel Pursuivant
Weel is responsible for editing the Heralds' Handbook (we would like to produce a new edition every 2-3 years), as well as any other publications (informational pamphlets, etc.) for the College of Heralds.

Palmer Herald
Palmer is White Stag's "drop-dead" deputy. Palmer must have an understanding of the workings of the College of Heralds and the College of Arms, a fair-strength background in name and device research/design, some field heraldry experience, and preferably some court heraldry experience. Palmer must be willing to take the College of Arms administrative test (a written exam), and must be able to take over the submissions process if necessary.

In her October meeting, the Laurel Queen of Arms **registered** the following items from the Outlands. Congratulations!

Broinnfind Munro (Name and device: Per pale sable and azure both estencely argent, a tree blasted and eradicated and in chief a cloud Or.)

Colgrin Tallhelm (Name.)

Constance le Royer de la Tour (Transfer between badge and device: Her badge was 'Azure, a tower argent issuant from a heart Or' and her device was 'Azure, within the center quarters of a cross treble parted, four hearts, points to center, Or'.)

Emmeline Duncan (Name.)

Kynan of Wyre Forest (Name and device: Per pale azure and sable, a sword inverted proper and a demi-sun issuant from base Or.)

Meadhbh Daingen int Slébhe (Device: Per bend sinister sable and azure, a bend sinister engrailed between a wolf's head erased and a thistle, a bordure argent.)

Morgan Cheyney (Name.)

Outlands, Kingdom of the. (Order name 'Order of the Silver Stirrup' and badge: Vert, a stirrup argent within a bordure embattled Or.)

Patric of Blackthorn (Device: Azure, a Celtic cross argent between in base two annulets Or, a chief embattled argent.)

Wilhelm Altmann (Name.)

The following items were **returned**:

Citadel of the Southern Pass, Barony of the (Badge for War Ensign of the Citadel of the Southern Pass: Pily bendy sinister azure and Or, a chalice gules-Conflict with Phelim Gervase, 'Quarterly Or and argent, a cup gules.' There is only one CD, for the change to the field.)

Martim Ruiz do Porto (Badge: [Fieldless] A cross crosslet fitchy gules-Conflict with William de Rouen, 'Per pale argent and Or, a cross crosslet fitchy gules.' There is only one CD for fieldlessness.)

Here are the results of the 12/21/99 Letter of Acceptances and Returns of the Laurel Queen of Arms.

The following items from the Outlands were **registered.** Congratulations!

Asher der Jäger (Name)

Deirdre the Wench (Name and device: Per fess indented gules and sable, a dance argent and in base a tankard Or.)

Edric de Mounteyne (Name)

Elizabet Fergus Morrison (Device: Per bend wavy azure and argent, a turtle counterchanged.)

Frithuric Ullman (Device change: Azure goutty d'Or, in fess three cups and in chief a cloud argent.)

Gareth of Falcon's Keep (Name; see RETURNS for device.)

Gautrek the Christian (Name and device: Sable, a chevron fracted Or between three wolf's heads cabossed and a Thor's hammer inverted arget.)

Justinian de Queéry (Device: Pean, on a pile dovetailed Or a continental panther rampant contourny sable.)

Khadijah bint Lu'lu al'Qadisi (Name)

Kiena Munro (Badge: (Fieldless) In pale a moon in her plentitude argent sustained by a crab sable.)

Lorcan Mac Colla (Name; see RETURNS for device.)

Medhbh O'Duibhdabhoireann of Clontarf. (Badge: Azure, on a fess between a lozenge and a fleur-de-lys argent, an Arabic pen-box azure.)

Mikhailovskaia Ladonessa (Name)

Rognvaldr Byrgisheraðingr (Name and device: Azure, a wolf salient and a base engrailed Or.)

The following items were **returned**:

Charles Roberts (Name and device ("Gyronny sable and Or, a cross rayonnant gules."): Conflict with Sir Charles Roberts, Canadian nationalist writer and naturalist, who has his own listing in the Brtannica Online. The device conflicts with flag of England, "Argent, a cross gules." We cannot give a difference for the rays because at least half of them have low contrast with the field and because they are drawn relatively small.)

Gareth of Falcon's Keep (Device ("Azure, a pall inverted argent between two garbs Or and a barrel palewise argent."): Conflict with Kelwin Ratslayer, "Azure, a pall inverted argent between two panthers rampant addorsed Or, marked sable, and a rat couchant argent." There is only a single CD for changing the type of the secondary charges.)

Kér Béla (Name and device ("Per pale bevilled argent and sable, a pale bevilled between a hawk volant to sinister and a skull, all counterchanged."): There is no evidence, and none could be found, that tribal names, such as "Ker," were used in Hungarian names. There is no evidence that bevilling was used with a per pale line of division.)

Kiena Munro (Badge ("(Fieldless) A covered cup argent."): Conflict with Kathleen Eric-go-burne-the-Bragh, "Vert, a chalice argent containing flames Or." There is one CD for fieldlessness, but the flames are not large enough to count for difference.)

Lorcan Mac Colla (Device ("Per chevron argent and purpure, two cows statant respectant sable, and in base a carpenter's square, point to chief, and a hammer in saltire Or."): The device uses three different charges in the same group of primary charges and therefore violates RfS VIII.1.a, Armorial Simplicity.

Órfhlaith ní Dhubháin (Device ("Per bend sinister Or and sable, a horse's head couped counterchanged gorged of a chaplet of shamrocks vert, an orle counterchanged"): This uses trian aspect; the line of mane shows that the neck is twisted. Please also advice the submitter that the mane should not obscure the couping of the horse's neck.)

Volker Ælfwine (Device ("Sable chauss{e'} papellony vert and argent, a pithon displayed argent"): Conflicts with Reynald il Bianco, "Per chevron inverted sable and gules, overall a winged serpect erect displayed argent," with a CD for the change of field....")

It is also of interest that the current flags of Afghanistan, Belarus, the Democratic Republic of the Congo, Haiti, the Republic of Macedonia, Panama, and Seychelles, and a former flag of Venezuela were declared protected in this letter; the flags of Aruba, Bermuda, Hong Kong, Netherlands Antilles and Puerto Rico were declared unprotected, as none of these is a "sovereign nation."

I will be contacting the branch heralds and heralds-at-large throughout the kingdom in the near future regarding rostering/warranting. If you are at all interested in heraldry, we would like to have you on the roster! Please feel free to contact me if you have questions or would care to be rostered. The roster tells us who's available with respect to heraldry, and rostered

heralds receive White Stag's quarterly report. The only requirements of being rostered are to write a brief report quarterly, so please consider signing up. If you are interested in learning more about heraldry, especially name and device submissions, please consider subscribing to the monthly Letter of Presentation and Response (LOPR, described above under the duties of the Rampart Herald). The cost is $10 yearly (to cover postage and copying costs), and you will have the opportunity to submit comments on name and device submissions, and to see what comments other heralds make.

In service to the Outlands,

The Honorable Lord Timothy O'Brien

From the Kingdom Minister of Children

As the Spring approaches, bringing with her the promise of life renewed, I am filled with hope that this new year will bring many wonderful programs for the Ministry of Children. After the creation of the Ministry, we had children's activities at the Baronial Investiture in Unser Hafen, run successfully as ever by Lady Amice de Fayel, Minister of Children for the Barony. Zoraya al-Navaree and Lady Robyn von Glonn staged a wonderful program for children at Caer Galen Midwinter, from which elements were adapted for Caerthen Twelfth Night. Madonna Onorata Beatricia de Mercante graciously provided us the opportunity to put on a Children's Collegium at her event, Kingdom Arts and Sciences, and it was very successful. I am sure that there have been others who have been providing activities for the children in their groups as well, but like every new office, it is difficult accumulating all of the information in the beginning!

I have great plans for this new season of camping and outdoor events, and look to form a Boffer Guild with standardized guidelines to have tournaments that run concurrently with our other tournament events. I also would like to see an increase in Children's Archery equipment in more of our Baronies, Shires and Cantons to allow for more participation by our youth. I would like to request our autocrats, feastocrats and event staff to consider asking young people to help with your serving (even just water!) and errand running needs. Young people are also usually eager to help set up and clean up, as well as a variety of other chores where energy and young legs can come in handy! I would like to ask the members of our peerages to consider mentoring a child; if you do not have a page, consider asking a young person. Children learn better from working with us than they do from working apart from us. The young people of today could very well be the peers of tomorrow, and the skills that they learn from you could be a hobby, career or a joy forever.

I am also in need of many more volunteers to serve their groups as a Minister of Children, and if you have a Minister of Children for your group already, please contact me or have them contact me as soon as possible to get them on my mailing list. We are also still collecting activity ideas and general feedback, so I would deeply appreciate it if anyone has anything that they would like to contribute. I can be reached by any of the following means:

Caterina Fregoso (Karen French), 11031 N. Marshall St., Westminster, CO 80020, (303) 438-0632, karen.french@bnsf.com

Thank you for your continued support.

Yours in service to the Crown and Kingdom,

The Honorable Lady Caterina

From the Kingdom Exchequer

Greetings unto the envy of the known world, Outlands!!!!

Don't you love this time of year. Doomsday reports are coming due. I know everything balanced for you and that your reports will be in on time. For that I thank you. Onto the order of

business. I have two deputies that will be assisting me gathering information from the local groups. My superiors are requesting the justification of the amount of money listed on our year end reports under regalia. I.e. how much crowns cost, how much thrones cost, how much that nifty warlord sword cost (provided it's listed under regalia). They will also be asking about property lists that do not come under regalia like books.

The two ladies that will be contacting you for this information are, Mistress Brianna of Caer Galen and Lady Cecelia of Caerthe. Please help them as much as possible. Neither of these two fine ladies will be my successor. Mistress Aldyth of Windkeep is still my drop dead deputy, and I am still looking for letters of intent for my replacement. The sooner the better so that we have plenty of time to work together.

Take care and may your travels be prosperous

The Honorable Lord Bjorn Poulson

From the Kingdom Chronicler

Greetings unto the good people of the Outlands! I have but a quick note this month. Chroniclers' please remember your doomsday reports are coming due, as well as your 4th quarter reports. My thanks to all who have already sent them.

I would also like to send an apology out to Lady Jeannette deVallier. In the January issue, I transcribed her name incorrectly to Their Royal Majesties' retinue list. For this error, Lady Jeannette, I humbly apologize and ask your forgiveness. I will be certain I do not repeat this in the future.

In service,

The Honorable Lord Duncan

Board Notes and Other Items of Interest

Grand Council Proposal

Below is a revision to the By-Laws revision which has been proposed to the Board of Directors by the Grand Council. All comments are strongly encouraged. Please send them to SCA Inc., By-Laws: Impeachment, Box 360789, Milpitas CA 95036, no later than April 1, 2000.

VI.F.1.a. Impeachment. A Director can be impeached by a letter signed by three (3) Directors, or by a petition signed by a majority of the Corporate Officers or 10 percent of the current advisory membership by one thousand (1000) persons who are advisory members at the time signing. Additional procedures for petitions of impeachment arising out of the medieval structure of the Society are defined in Corpora.

If members impeach Directors, each Director must be impeached by separate petition, although the petitions may be bundled together. The author, author's contact information, the name of the Director to be impeached and the reason for impeachment must be written at the top of each page, so that signers can uniquely identify each petition, and be able to contact its creator. Each signature must be accompanied by a verifiable membership number, a legible modern name, and a date of signature.

Compleat Anachronist Editor Position Available

Greetings unto the gracious and learned folk of the Known World; royal, noble, and gentle, from your most humble Elisabeth MacAlester of Kintyre, Editor of the Compleat Anachronist pamphlet series.

These two years past it has been my honor, and my joy, to hold the Office of Editor of the Compleat Anachronist pamphlet series. But my time now draws to a close, and I must seek a successor.

The CA Editor is responsible for publishing six monographs per year on subjects relevant to the time period 600 C.E. to 1600 C.E. The editor's duties include soliciting manuscripts and artwork; sending the manuscripts out to qualified subject-matter experts for review; accepting and rejecting manuscripts based on the opinions of those experts, as well as that of the Editor; helping the author to revise the manuscripts, as suggested by the reviewers; copy-editing, proofreading, and laying out each manuscript; and coordinating with the commercial service that prints and mails the magazine. In addition, the CA Editor provides quarterly status reports and annual budgets to the Society Manager of Corporate Publications.

At the same time I seek a successor, I also seek a deputy, first to work with me, and then to aid my successor.

Information in many of the older issues of the CA, though state-of-the-art for their time, has since been superseded by deeper knowledge. But the burden of the CA Editor's office unfortunately precludes that person from updating any of the extant issues of the publication. Therefore, with the kind permission of the Board of Directors, I am establishing the post of CA Reprints Editor. The Reprints Editor will report to the CA Editor and be responsible for reviewing, revising, and when appropriate, discontinuing previously published issues of the CA, in much the same manner as the CA Editor addresses new issues.

If you would like to apply for either position, please submit a resume and samples to the following address:

Office of Corporate Publications
SCA, Inc.
P.O. Box 360789
Milpitas, CA 95036-0789

The deadline for applications is April 30, 2000.

On Anniversary Celebrations

From the Society Seneschal and the Executive Assistant to the Board of Directors

At the July meeting, and after directing the Society Seneschal to consult with the Kingdom Seneschals, the Board of Directors decided the Society for Creative Anachronism Inc. will not sponsor a 35th Year Anniversary Celebration.

Needless to say, any kingdom or other branch that wishes to commemorate this anniversary is free to do so.

In the future, the Society for Creative Anachronism Inc. will sponsor anniversary celebrations only on the 10-year anniversaries (20, 30, 40, etc.) along with 25-and 75-year anniversaries.

The Fortieth Anniversary of the founding of the Society will be May 1, 2006. The Society Seneschal and the Executive Assistant to the Board are preparing a call for bids to host this celebration, which will be published in all kingdom newsletters. If you have any suggestions on what should be included, please contact them.

The XXII season has come to an end and I'd like to thank everyone for their participation. We had almost 950 scores turned in this season; 200 more than last season!

The Southern Hemisphere's XXIII IKAC season is under way and the Northern Hemisphere's XXIII IKAC season begins again on April 1, 2000.

Please remember, if you want IKAC scores from an off-season event counted as official, the Kingdom Archery Officer or the Branch Archery Officer in charge of archery for the event must send me a written request (e-mail or snail mail) before the event.

My thanks again to everyone who participated in the IKAC this year and a special thanks to the lords and ladies who helped set up and run the contests in their areas. Without your help none of this would be possible.

In service to the Society and the archery community,

Signore Giovanni dell'Arco, OGGS
Keeper of the InterKingdom Archery Competition

Event Announcement Information

Unto the populace of the great and glorious Outlands, does Laird Duncan MacAllister, Kingdom Chronicler, send greetings. Listed below you will find the requirements that have been set forth for Outlands Event Announcements. Please note that those items listed as 'Mandatory' must be present in the appropriate event announcement, or I will be unable to print the announcement.

Mandatory in ALL event announcements:

- ☐ Name of the Event
- ☐ Sponsoring Group
- ☐ Event Date(s)
- ☐ Mundane name of site
- ☐ Contact Information for the Autocrat
- ☐ Contact Information for Reservations (if not Autocrat, and they are being taken)
- ☐ Contact Information for Head Cook (If serving food)
- ☐ Contact Information for additional organizers (Crash, fighting, etc.)
- If reservations are being taken:
    - ☐ Deadline for acceptance
    - ☐ All associated costs (site, feast, discounts, etc.)
    - ☐ How to make checks payable

Mandatory in FINAL event announcement (Month of):

- ☐ All above information
- ☐ Site Open and Close times
- ☐ Mundane address of the site
- ☐ Alcohol Status (Wet, dry, discreetly wet, etc.)
- ☐ Directions to site (include distances, street names, etc.)
    - Do NOT assume signs will always be visible
- ☐ All associated costs (site, feast, discounts, etc.)

Optional, but highly recommended:

- ☐ A map to the site
- ☐ Schedule of events
- ☐ Feast menu (if feast is provided)
- ☐ Other pertinent site information (pet restrictions, water availability, etc.)

'Contact Information' as mentioned above is defined as: SCA Name, Mundane Name, address, phone number with area code, and an E-mail address if one is available.

Autocrats, please take notice of the article size constraints, and try to stay within them. All event articles are allowed three (3) showings in the Outlandish Herald, one (1) of which MUST be the month of the event (i.e. A March event MUST run in the March OH). The other two publication months are typically the two months preceding the event. An autocrat may request publication more than two months in advance, but that publication will count against the three (3) publication limit. Additional printings may be purchased at the current advertising rates. Kingdom Events (Crown, Coronation, A&S Competition/Collegium, and others as designated by the Crown) receive one (1) page in the publications prior to the event, and two (2) pages the month of the event. Non-Kingdom Events receive one-half (½) page in the publications prior to the event, and one (1) page the month of the event. Additional space may be purchased for any publication month at the current advertising rates. Current advertising rates are listed in the front of the Outlandish Herald. Where possible, please provide the Kingdom Chronicler's office with a prior month article, and a month of article fitting the above criteria for publication. The OH is printed presently with an 8-point font that allows for approximately 300 words in a one-half (½) page article, and 600 words in a one (1) page article.
